

TAX DISCLOSURE

Price shown excludes applicable taxes. Unless you are paying with credit card or fit in an exception below, your first payment will not include taxes. We will contact you to arrange your tax payment later, or you can provide your VAT number. If you do not provide your VAT number, you will be responsible for paying the relevant tax authority.

- Exception - Taxes will be added (i) if you do not provide your VAT number when purchasing “Domain Validated Certificates” or “Code Signing Certificates for Individuals” or (ii) if you are in Ireland or Switzerland when purchasing any product – whether or not you provide your VAT number.
- Exception - If you are paying with credit card, taxes will be included in the total charge upon processing of your payment. If you feel the total charge is incorrect, or wish to cancel the transaction for any other reason, please request a refund by our Refund Policy.

You will be taxed according to the country that you purchase from or your organization is registered in. Tax rates differ between countries, and are subject to change from time to time.”
